**Attention Travel Team Coaches** - Are you tired of unorganized leagues? Would you like to enter your team into a league and have all your games played in one location? Do you want to focus on player development and coach against other coaches who share that philosophy? You have come to the right place! We are putting together a 9U and 10U Spring Travel League. We take care of all the details - scheduling, securing a field, and even booking the umpires. All you have to do is coach!

What type of teams are we looking for? Very simply, teams that are interested in improving their players' skills, developing a love of the game and playing the game the right way.

The league will be based out of Norwood and if you don't have a field for games, we can host your games for you. Want to practice indoors but don't want to pay \$300 per hour? We will offers special discounts to teams practicing in our indoor facility. Don't have enough players to form a team? We can enter your players on a team for you! [Click here to register.](#)

Cost: \$175 per team

Cost Includes Scheduling of games, booking of umpires (not the umpire fee), access to field for games if needed, discounts to facility rentals for indoor practices.
